Lighthouse Academy of Dance

Welcome

Here is some useful information in addition to that contained online.. Please contact me if you have any questions. We look forward to seeing you soon.

Kathie Hunwick, Director

Studios: We have wonderful dance studios at 934, Goldstream Avenue, Langford. We are accessible and have parking onsite and available nearby also. Amenities close to us include Tim Hortons, restaurants, Langford Lake, play area (Ruth King Elementary), Langford City and stores.

Directions: We are on the corner of Matson and Goldstream (just past Jacklin and beside Ruth King Elementary School). There is also a bus stop very close by. Here's the map link: <http://maps.google.-com/maps/ms?ie=UTF&msa=0&msid=211652271533501352689.0004df830df89fd1f8fd2>

Try a class: A current class may be 'tried out' – we would like you to feel comfortable in the class and with the teacher! Watching classes is permitted when arranged with the Director or teacher for prospective parents/students only. Otherwise, there are prescribed 'watching days' each term to avoid disruption to classes and distraction for students. **Beginners are always welcome at any age!**

Communication: Each month or so, an e-mail is sent home with information and updates. Parents are encouraged to contact the Director by phone, e-mail or in person with any queries or concerns as *first* port of call – she is likely to be able to address the query/concern quickly and effectively – every question is important! A positive atmosphere in the Academy is strongly encouraged and every individual is valued!

Conduct:

The Academy encourages the development of self-control rather than harsh enforcement: the student will be encouraged to be considerate, respectful and caring, and correction of technique will be positively given. In dance, it is necessary to use some appropriate 'hands on' technical help at times.

It is important for students to be ON TIME. Please arrive *at least* 5 mins early, dressed for class.

After school options:

This year, we are offering after school dance club and 'train' where we will collect registered children from Ruth King Elementary School to the dance studio and provide a fun dance class with mixed styles. Students may also be registered for other classes, if desired. Separate fees apply for these 10 week courses.
